B. Before delivering the training

Evidence of identity

1. The ATP must ensure that each participant provides adequate evidence of identity (EOI) prior to the commencement of the training and maintain secure records, in a form that can be easily retrieved on request by the NSW Resources Regulator.

The ATP must only record the type and currency of the EOI sighted by the ATP on the day of training. The ATP must not allow any person to undertake the training if adequate evidence of identity cannot be supplied.

2. Adequate EOI means that the combination of documents provided by the participants must include the participant’s name and:
   -photo (e.g. current driver’s licence, passport)
   -signature (e.g. current driver’s licence, credit card).

All EOI documentation must:
   -be originals (certified documents are not to be accepted)
   -be issued by a government body or a financial institution (see note 1 below)
   -be in the same name unless accompanied by a document from the NSW Registry of Births, Deaths and Marriages (or state/territory equivalent) verifying the change of name
   -include the participant’s full name
   -be in English, unless accompanied by an English translation issued by a NAATI accredited translator.

Note 1: Credit cards and savings account cards from overseas institutions can only be accepted if the institutions have representation in Australia, and subject to the card or statement being issued in Australia and in English.

Note 2: The department may give special considerations for Aboriginal and Torres Strait Islanders and certain disadvantaged groups.

6. The nominated trainer must comply with the course content detailed in the facilitator’s guide.

7. The ATP must ensure that training takes place in a suitable venue that provides for an appropriate learning environment.

8. The ATP must ensure participants receive training that meets their individual needs in line with adult learning principles, including:
   
   a. clearly outlining the learning outcomes
   b. encouraging participation and interaction
   c. ensuring that participants with differing learning needs are given the same opportunity as other participants in gaining skills and knowledge through the training

Two short breaks of 15 minutes (morning and afternoon tea) and one longer break of 30 minutes (lunch) are recommended. This time is additional to the delivery times indicated in the course materials.

13. Course participants must not exceed 25 participants per nominated trainer. This is to ensure appropriate levels of supervision and participation.

D. After delivering training

14. The ATP must email a Survey Monkey link to all participants and request participants complete the survey. ATPs must use the Survey Monkey link provided by the NSW Resources Regulator.

15. The ATP must issue a certificate of completion to participants upon completion of the Course.

16. Certificates of completion are required to include the following:
   a. A statement that the participant has met the requirements of the course

18. Certificates of completion must be issued to participants within 10 calendar days of completion of the training.

19. The ATP must provide the NSW Resources Regulator the contact details of any participants who have completed the course. This must include the participants name, phone number and email address. ATPs must email these details to the NSW Resources Regulator using the reporting

   f. participant evaluation forms
   
   g. change of mailing address forms
   
   h. any other relevant correspondence with the NSW Resources Regulator
   
   i. any other forms relevant to the delivery of the course.
