 This template is divided into two parts: 1. Comments in response to discussion paper 2. Comments in relation to draft regulation Please ensure you include the page, section number or regulation clause number to which your comment relates. Your submission should, wherever possible, include evidence and examples to justify your position. 						
Part 1 - Comments in response to discussion paper						
Page or Section No.	Discussion point and your comment					

Part 2 - Comments in relation to draft regulation						
Clause number	Title of clause and your comment or suggestion					
Part 5	Mine survey plans and mine plans					
	Current legislation regulates surveying standards, plan/data formats and submission periods through the Survey & Drafting Directions. This connection needs to be included in the WHS Regulation to direct operators to the relevant standards. This could be as a note as it does not just refer to the plan formats.
